Old Business:

- The PPC will provide a meal for the RICA group Thursday March 26th.
- HVAC- the first bill of \$120K has been paid. The Archdiocese paid the last \$150K.

New Business/Pastor's Comments:

- During the process of updating parish job descriptions the role of full time Development Director will now focus on procuring financial gifts from estates and alumni, for example.

- Six PPC members have terms ending this year. Please think of/approach people you feel would be good candidates as replacements.

- Nora will give the reflection
- Bring ideas for future board members
