New Business/Pastor's Comments:

Report from latest Finance Council meeting –

We have been able to stay very consistent in our collections each week. We also were able to qualify for funds from the CARES Act so we have been able to stay in good financial condition over the past year.

The committee is looking at how we can continue to provide the high-quality education, competitive pay and experiences for the school.

An annual appeal will begin in May. The focus will be teacher salaries and building maintenance. The appeal will focus on re-connecting to alumni of Cathedral High School.

Lent at the Cathedral –

There will be Virtual events and Live small group events during Lent.
