Old Business:

Brainstorm ideas on how to get people back to church.

A video will be done to help encourage people to come back to church in person.

Start reaching out to people one on one about coming back, word of mouth is the most impactful.

Public service announcement that in person is available.

Pictures or video's of what it looks like when you come to Mass, showing the congregation and how the seating and communion work.

Provide additional seating with a simulcast of mass in the gym or cafeteria for overflow, or have a staggered start for Mass, one in each location.

Any leads on new members? Still looking!
